

EnterSolar Named Top Solar Developer in New York State

August 8, 2015

EnterSolar #1 In New York and #16 Developer Nationwide By Solar Power World Magazine

EnterSolar, the leading New York City-based provider of solar solutions to commercial enterprises, today announced that the company has been named the number one solar developer in New York State by Solar Power World Magazine, and the number 16 developer nationwide. This is the most recognized annual listing of North America's top solar firms working in the utility, commercial, residential and off-grid markets.

EnterSolar develops commercial solar photovoltaic projects for corporate clients throughout the US, from California to Massachusetts.
